

# CU900ENT UPRIGHT BIKE

Easy Seat Adjustment

Users get the best of both in motivation and entertainment with the CU900ENT Upright Bike. The 10.1" touchscreen display allows users to watch TV, surf the internet and stream music while they work out. Three workout display modes give users plenty of feedback on their performance and progress. Commercial-grade pedals, cranks and bearings provide outstanding function and durability.

## **CU900ENT** UPRIGHT BIKE

- Extra wide, 8 groove poly-v belt, spring loaded idler for reduced belt tension for longer belt and bearing life
- Quick adjust seat easily slides to accommodate users of various heights
- Oversized 1" crank axle along with heavy duty roller bearings for reliable longevity
- Easy in and out ratcheting pedals with 2-degree pedal inversion for a comfortable workout
- 40 levels of resistance will keep your clients engaged during their entire workout

Integrated adjustable fan for workout comfort

10.1" touchscreen display with multiple viewing modes

Tablet friendly reading rack holder

Accessory tray for secure placement of keys, smartphones, etc.

**TV** Watch your favorite TV shows right on the console, control the volume, and switch channels by tapping the virtual buttons on the screen.

**DISPLAY** The system provides 3 different viewing modes (Simple, Track, Dashboard) to fine tune your workout experience.

**INTERNET** Easily access preselected websites and online apps such as YouTube, Facebook, and Twitter through the internet on the touchscreen.

**SETTINGS** The console is fully configurable with in-depth console settings. Easily set up the internet connections and modify what websites are available for the user. Also, customize the TV settings, perform diagnostics and maintenance, change default language, update software version, and more.

# CU800ENT UPRIGHT BIKE

## ENTERTAINMENT CONSOLE

### FEATURES:

- 15.6" TOUCHSCREEN
- SCREEN MIRRORING
- CABLE TV
- STREAMING APPS
- NEWS APPS
- SOCIAL MEDIA APPS
- USB CHARGING PORT

Designed on the solid CU800 platform, the CU800ENT incorporates touchscreen technology on a large 15.6" entertainment display. Users can screen mirror from their phone so they can watch whatever they want. Pre-loaded apps also give users the ability to stay entertained with popular streaming, news, and social media content. And if that isn't enough, the facility can enable the ability to watch cable TV through an HDMI and cable box connection. From the 40 levels of resistance and numerous program options to the extra-smooth ride and heavy-duty feel, the CU800ENT has everything you could want in an upright bike.

## CU800ENT UPRIGHT BIKE

- Large 15.6" touchscreen with screen mirroring\*, TV, and streaming/news/social media apps
- 3 different workout display modes give users a variety of workout feedback
- Padded ergonomic seat with fore/aft/up/down adjustments provide extra comfort and a customizable fit
- Oversized foot pedals with fast latching system
- 40 levels of resistance to satisfy the needs of beginners or advanced exercisers
- Contact and telemetric heart rate options to help keep clients in their effective training zone
- Adjustable cooling fan and USB charging port enhances the user's experience

Tablet-friendly reading rack

Adjustable fan angle

Easy-touch control buttons

USB charging port

3.5mm headphone audio jack

**SCREEN MIRRORING** Using the same Wi-Fi connection as the bike, the user can mirror their phone's screen to the console – now you can watch whatever you want!\*

**INTERNET** Easily access online apps for streaming, news, and social media on the touchscreen.

**DISPLAY** The system provides 3 different viewing modes (Simple, Track, Dashboard) to fine tune your workout experience.

**SETTINGS** The console is fully configurable with in-depth console settings. Customize workout information, perform diagnostics and maintenance, change default language, update software, and more.

## CU800ENT CONSOLE FEATURES

The CU800ENT features a modern 15.6" touchscreen display and electronics package that allows your clients to screen mirror from their phone, watch cable TV, or stream shows, news, and social media content. The USB charging port, cooling fan, and user-intuitive design appeal to a wide range of users. Preset programs provide a variety of popular workouts for the average user while heart rate control and custom programs are available for more serious users.
