Multi-Press

Three Exercises, One Machine

The Multi Press saves valuable space by combining three pressing movements—bench press, incline press, decline press—in one machine.

Similar to Free Weight Positions

When using the Multi Press, exercisers will quickly feel how similar it is to using free weights for the same exercises.

Get Exercising Faster

The remote start adjustment allows the exerciser to easily adjust their start position from within the machine, getting them to their workout faster.

Helpful Guidance

The conveniently located instructional placard provides step-by-step guidance on body position, movement and muscles worked.

Specifications

Dimensions (L x W x H): 72 x 58 x 69 in / 182 x 148 x 175 cm

Vitality™ Series Selectorized

Biceps Curl / Triceps Extension

Even Resistance with No Dead Spots

The movement arm design ensures that exercisers experience smooth resistance through the entire range of motion, eliminating common dead spots found in similar machines.

Get Exercising Faster

The start position is easily adjusted while the exerciser is sitting in the unit, allowing them to get moving faster.

Low Starting Lift Weight

The counter-balanced movement arm provides exercisers with a low starting lift weight.

Helpful Guidance

The conveniently located instructional placard provides step-by-step guidance on body position, movement and muscles worked.

Specifications

Dimensions (L x W x H): 52 x 42 x 60 in / 132 x 108 x 152 cm

Vitality™ Series Selectorized

Pulldown / Seated Row

Two Exercises – One Machine

Because the Pulldown / Seated Row accommodates both the lat pull down and mid-row exercise movements, it saves valuable floor space.

Convenient Bar Storage Resists Wear

The row bar storage keeps the bar out of the way when the pull down is being used. With a protective coating the storage plate resists scratches and dents.

Adjustment to Fit Most

The thigh hold-down pad features an easy-to-adjust mechanism to accommodate most exercisers.

Helpful Guidance

The conveniently located instructional placard provides step-by-step guidance on body position, movement and muscles worked.

Specifications

Dimensions (L x W x H): 79 x 52 x 87 in / 200 x 131 x 220 cm
