

Athletix™ Equipment Cleaner

A unique alcohol-free and ammonia-free product designed to effectively clean exercise equipment prior to use.

No more handling of chemicals and inhaling obnoxious fumes! Put down the spray bottles and reach for a presaturated Athletix Equipment Cleaner wipe! Athletix Equipment Cleaner wipes are designed to make workouts cleaner and more enjoyable. Athletix Equipment Cleaner wipes allow your members to effectively remove sweat, body oils, and dirt left on exercise equipment by the prior user. Grab an Athletix Equipment Cleaner wipe, clean the equipment, and then simply toss the used wipe in the trash. This “one and you’re done” concept prevents many cross-contamination problems caused by multi-use cloth towels.

Athletix Equipment Cleaner wipes also relieve your employees from the chore of mixing chemicals and filling spray bottles. In short, Athletix Equipment Cleaner wipes result in clean equipment, happy club members, and more productive employees!

Free of harsh chemical vapors, the Athletix Equipment Cleaner wipes are safe for patron use.

Features	Benefits
Alcohol and Ammonia-free Formulation	Safe for use on vinyl, leather, chrome, rubber, foam grips, painted surfaces, and electronic displays.
Avoids Damage	Eliminate product overspray from spray bottles, reducing the chance of damaging sensitive electronic components. Leading Equipment Manufacturer approved.
Quick and Easy	End the search for the spray bottle. Simply dispense one wipe, clean the exercise equipment, and toss the wipe in the trash.
Breathe Easier	Virtually odor-free formulation prevents inhaling of harmful fumes caused by spray bottle air-borne mist. And since they are alcohol-free, they will not leave hands dry and chapped.
Hassle-free	Loading and refilling the dispensers is easy and quick. The see-through dispenser makes it easy to see when a new roll is needed.

Dispensers & Stands

Dispensers & stands in different sizes and colors

One size does not fit all! Athletix Products™ realizes that your facility's needs are different from the gym down the street. That's why Athletix Products Equipment Cleaner Wipes dispensers and stands are available in several options. Whether wall-mounted, free-standing, or multifunctional, Athletix Products has a dispenser that is perfect for your gym. Our durable, sturdy stands and dispensers are available in white, black or stainless steel and blend in easily with your facility's décor.

Bucket Dispenser

The simple, economical, reusable bucket holds one standard roll of Athletix Equipment Cleaner wipes. Simply remove the lid and place the roll inside. Thread the first wipe through the opening in the lid and replace the lid. Made of high-density polyethylene, this tough, portable bucket comes with a handle and lid.

Wall-mounted Dispenser

Durable and sturdy, this unit has no complicated moving parts and comes with mounting hardware. The simple center-pull design eliminates needs for levers, dials, or cranks. The semi-transparent, gray colored dispenser allow employees to see when the Athletix Equipment Cleaner wipes are running low. To refill, simply open the dispenser with the permanently attached key. Follow the loading instructions on the bag, thread the wipe through the opening, close the door and go! Club members will appreciate the dispenser's easy access, which makes maintaining valuable gym equipment safe and convenient.

Wire Floor Stand

Simply mount our wall dispenser to this freestanding wire stand and place it anywhere on the floor. The simple design is stable, yet lightweight at only 5 pounds. The small footprint, 13" x 13", takes up very little space on your facility's floor. The convenient height of 40" makes the dispenser just the right height for easy Athletix Equipment Cleaner wipe dispensing. Can be used with our acrylic sign holder, part number 9440 (sold separately).

Acrylic Sign Holder

Attaches directly to our standard dispenser and will hold an 8.5" x 11" sign. It is easy to use, too. Just slide the old sign out and the new one in for a new message instantly. The sign holder gives a clean image and protects the information from fingerprints, graffiti, wrinkles and rips.

Use this holder to post a copy of our Athletix Equipment Cleaner Instructions sheet.

Stainless Steel Stand

Made exclusively for Athletix Products, our stainless steel floor stand is sleek and sophisticated, allowing your Athletix Equipment Cleaner wipes to coordinate with your club's décor. Designed for function as well as form, this stand easily dispenses wipes from the lid and has a built-in waste receptacle for used wipes. The included waste receptacle is accessed for emptying via the flush-fitting door in the back of the stand. Sturdy and compact, our stand is 36" tall, 13.5" in diameter, and weighs 28 lbs.

Athletix™ Disinfectant Wipes

Alcohol-free, bleach-free, and o-phenol-free wipe that effectively disinfects exercise equipment and exercise facilities.

Athletix™ Disinfectant Wipes are a quick and convenient way to disinfect surfaces in your health club, fitness facility or spa. Premoistened and ready to use, the durable, disposable wipes are packaged 900 per roll in a portable dispenser bucket. Athletix Disinfectant Wipes kill antibiotic-resistant bacteria MRSA and CA-MRSA, and are effective against many common bacteria such as *Staphylococcus aureus* (Staph), *Salmonella enterica* (Salmonella), *Streptococcus pyogenes* (Strep) and *Escherichia coli* (E. coli)*. Athletix Disinfectant Wipes have been shown to kill flu virus**, and kills Pandemic 2009 H1N1 Influenza A virus** (formerly called swine flu). Please see product label for a complete list of organisms.

Most effective when used on hard non-porous surfaces, Athletix Disinfectant Wipes are ideal for disinfecting athletic and gym equipment, cycling equipment, weights, yoga mats, fitness balls, benches, lockers, and more. Our Ortho-phenylphenol free wipes contain no ammonia, bleach, or alcohol and are safe for most surfaces found in fitness facilities and gyms including acrylic, chrome, rubber, vinyl, ceramic tile, and fiberglass. Always read the product label and follow directions.

This List N product meets the EPA's criteria for use against SARS-CoV-2, the virus that causes COVID-19. EPA Registration Number: 1839-190.

Did you know?...

Disinfectants require surface contact time to be effective. If the product is left out for public use, most patrons wipe and go without considering the time to kill the organisms. That equates to wasteful spending when products are not used properly.

Different spray techniques from patrons and staff can over apply disinfectants. Our presaturated wipes help to release the right amount of liquid on the targeted soiled areas.

As with any true disinfectant product, Athletix Disinfectant Wipes have a Federal label that must be visible to the end user. To ensure proper use, we recommend employee use.

Some disinfectants cannot be sold in California as they are potential carcinogens (California Proposition 65). Athletix Disinfectant Wipes are registered in all 50 states, including California.

* When used as directed on hard non-porous surfaces

**Influenza A₂/Japan
