TRM 531

Experience™ Series

TREADMILL

Product Highlights

The TRM 531 delivers Precor's signature reliability and natural running feel in a compact, space-saving design. Ideal for lighter-use facilities, it combines durable construction with low-maintenance operation for smooth, quiet performance. Exercisers enjoy the club-like workout experience they expect, while operators appreciate the dependable uptime.

Black Pearl

Product Features

P31 Console

A LED console that works harder for you, your exercisers, and your servicers. Exercisers will enjoy the well-placed speed and incline controls, as well as accessible workout options. Get integrated asset management to supercharge your service techs with extra information, right at their fingertips.

Run Naturally, Land Softly

Precor's patented shock absorption systems - Integrated Footplant Technology™ and Ground Effects® Impact Control - deliver a natural running experience while minimizing joint stress. Paired with a spacious running surface, over-molded handlebars, and hand sensor heart rate technology, the treadmill provides exercisers with a smooth, lower-impact workout and a gym-like experience.

Commercial-Grade Drive and Lift Motor

Built with commercial-grade components and thoughtfully engineered to exceed Precor's rigorous testing standards. Designed for lighter-use facilities like multi-family housing, corporate wellness centers, and hotels, it ensures reliable performance, dependable uptime, and minimal maintenance.
